

## Customer Information REACH/RoHS

RUBBER- AND  
PLASTIC TECHNOLOGY

### **Regulation (EC) No 1907/2006 (REACH) and Directive 2011/65/EU (RoHS 2), as well as Directive 2015/863/EU (RoHS 3) of the European Parliament and of the Council on registration, Evaluation, authorisation and restriction of chemical substances or the restriction of the use of certain hazardous substances in electrical and electronic equipment**

Meinert GmbH hereby confirms that we are aware of our regulations in accordance with Regulation (EC) No. 1907/2006 and that we are taking the necessary organisational measures, so that our products conform to the REACH requirements.

The products you obtain from us are defined as articles. They contain no substances that are intended to be released under normal or reasonably foreseeable conditions of use.

We follow the list of candidates set up by ECHA in accordance with Article 58 (SVHC Annex XIV) as well as the restrictions on placing on the market in accordance with Annex XVII and act in accordance with Article 33 of the REACH Regulation.

In order to comply with the obligation to provide information under Article 33(2) of the REACH Regulation of suppliers (producers, importers, traders or other actors in the supply chain) who place products on the market, we will inform all affected customers immediately as soon as the presence of substances that meet the criteria of Article 57 has been notified to us by our suppliers.

In all cases, Meinert GmbH has the status of a downstream user in the supply chain as a supplier of products.

Thus, we are only subject to certain regulations of the REACH regulation and the RoHS Directive. We do not perform any routine tests for the presence of SVHC, and an analytical monitoring of possible contamination is not part of our pre-delivery inspection. Many substances have a ubiquitous presence and may therefore be found as possible contaminants in products

Based on the established procedures of the above-mentioned regulations and the data available to us, we confirm the:

## **REACH / RoHS compliance**

for our products.\*
